AUDITOR'S REPORT

This is to certify that we have audited the records of the officials of the town of Kensington, New Hampshire for the year ending December 31, 1969 and found them to be correct.

LIBRARIAN'S REPORT

CIRCULATION

Adult Fiction	1,975
Adult Non-Fiction	2,273
Juvenile Fiction	3,121
Juvenile Non-Fiction	1,302
Recordings	52
Total	8,723

185 new books were added to the library collection during 1969. We also received a gift from RCA Victor Co. of 52 recordings which gives us a total of 104 records to be loaned.

A gift of $100.00 was received from Mr. George Greenwood to purchase books for the library in memory of his father, the late Harry B. Greenwood. The money was used to purchase 19 National Geographic books. There is a small sum of this fund yet to be spent. "The Life and Death of the Salt Marsh," by Mildred and John Teal was presented to the library in memory of the late Rev. Roland Sawyer by the New-letter Correspondents Association. Gifts of books or money to buy books have been received from Carolyn Brewster, Henry Dillenbeck, Thomas Powers, The Exeter Library and a large-type copy of The Grapes of Wrath from Dr. Rounsfel.

Due to lack of federal funds, the State Library had to suspend the Central Book Purchasing as of July 1, 1969. A private Book Purchasing Cooperative was formed with the Lane Memorial Library, Hampton, acting as purchasing agent. There are eight libraries in the cooperative and by joint purchasing we are able to maintain a substantial discount and we receive our books more promptly than we did under the centralized book purchasing through the State Library.

The library was closed for one week during the summer for the purpose of cleaning and inventory. The librarian was assisted by Marilyn Grant, Judith and Patricia Gourley, Constance and Pamela Wadleigh, Katherine Armstrong and Carrie Bodwell.

The Friends of the Library again contributed much to the Library Week. Mr. Robert Bates, Exeter, author of K-2, Savage James Gourley. Mrs. Charlotte Hutton, librarian at the Lane Memorial Library, Hampton, was the reviewer. A book-author supper was held at the Congregational Church during National ibrary Week. Mr. Robert Bates, Exeter, author of K-2, Savage Mountain, showed slides of the climbing of K-2 and discussed mountain climbing.

2,631 books were borrowed from the Bookmobile in 1969. The Bookmobile made 4 visits to Kensington during the year and your librarian made many trips to the Exeter office between Bookmobile visits to pick-up special books needed by borrowers.

Mrs. June Armstrong is now acting as substitute librarian replacing Marilyn Grant. We are at the present time without janitor service which adds to the duties of the librarian.

I wish to thank the trustees, the Friends and any who have helped during the past year to improve library service in the town.

Respectfully submitted,

LUCY C. BLODGETT
Librarian

REPORT OF THE PLANNING BOARD

The Planning Board has spent the entire year compiling a zoning land use ordinance and a building code ordinance.

It was planned to offer these to the town for adoption in March but unfortunately there has not been sufficient time to meet legal time requirements concerning hearings.

The Planning Board will have held one public meeting with the townspeople at which time all criticism and suggestions will be taken into consideration for future use.

The original citizens hand book published in 1963 has been supplemented this year by a new edition with current town information and additions to planning legislation.

SYNOPSIS OF NEW HAMPSHIRE FOREST FIRE LAWS AND REGULATIONS

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass burning, garden trash as well as brush burning in clearing operations. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit, is allowed on rainy days between 9:00 a.m. and 5:00 p.m.

Camp for cooking fires are allowed on your own property on notification to the warden. On another's property with written permission and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the ranger stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Escaped Fires

If a fire escapes from your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

Penalties

1. For kindling a fire without a permit. Maximum $200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of $25.00
5. For smoking or kindling a fire in woodlands when a ban on the same has been proclaimed a maximum fine of $25.00.

Officers of the Kensington Police Department

Paul Steeves Arthur Wiggin Jr. William Simon

The year of 1969 saw a substantial increase in traffic, auto accidents and criminal activities in our Town. Concerned citizens aware of the danger on our highways appealed for effective action to deter the irresponsible actions by some automobile operators.

Your Selectmen saw fit to appoint a Highway Safety Committee to investigate the possibility of securing federal funds to increase the law enforcement on our highways.

As a result of these efforts the Kensington Highway Safety Committee was formed and a project was approved by the Federal Government. Through Rev. John Bodycomb and four concerned and generous citizens the required half of the purchase price for a Radar Speed Meter was donated. The remaining half will be reimbursed to the Town from Project Funds.

A Budget has been submitted to increase patrol on a regular basis in the summer months and hopefully make your highways and property safer. Unscheduled patrol time will be increased to deter the criminal activity which is higher than befor.

I would like to express my appreciation for the cooperation the department has received from the Board of Selectmen, Rockingham Sheriff's Department, State Police, Police Departments in bordering towns and the citizens of the Town of Kensington.

Mr. Arthur Wiggin Jr., has been appointed as a member of the peloce dept. Your cooperation will be appreciated in the execution of his duties. Mr. Wiggin will be attending all available schools and seminars that are available as will other members of this department.

DONALD G. COSTELLO
Chief

RECREATION COMMISSION REPORT

The Kensington Recreation Commission has been busy getting the baseball area ready for spring seeding. The stumps have been buried and the field subgraded. The loam has been spread. The Commission appreciates Mrs. Keough's donation of 600 yards of loam. The Buxton Brothers were hired to fine grade the field. Paul Kimball was hired to haul 280 yards of loam. Paul Kimball and Harry Bodwell donated their time and equipment to haul 320 yards of loam. Several loads of loam were hauled by the town highway department. Also, pathways were cleared by a rotary mower, and brush was cleared out from the parking area back to the field.

Mr. Daniel Collins from the N. H. Water Pollution Commission has approved our plan for the toilet facilities. Mr. Joseph Quinn has given approval for a final completion date of Dec. 31, 1970.

The Swimming Program was successfully held again this year. Miss Sally Shute held lessons at her pool. Twenty-three children took part in the program. Many of the children attended both the two week sessions.

Chairman

CIVIL DEFENSE REPORT

In the event that the idea of a nuclear war becomes a reality, there will, nevertheless, be survivors. According to estimates from some members of Congress these will number about 50 million. With more adequate shelter facilities this could increase up to another 15 million. This is a sufficient number of people to maintain our government and a social system.

A recent survey indicated that New Hampshire had shelter facilities for 43% of the population. This could be increased by more interest in building private shelters. Public shelters are best, but private shelters can save many lives. There are many designs available that will increase the usefullness of a home. These are of both above and below ground types. Anyone wanting more information can get it by calling 394-7817 or drop a card. As your CD director this information comes to me and is kept current. A directory of architectural engineering and consulting firms with certified shelter analysts is also in my files.

EXETER AREA VISITING NURSE ASSOCIATION

Report on Fiscal Year, 1969

In its second year as a member town in the Exeter Area Visiting Nurse Association, Kensington had a busy year with a total of 621 visits made by the professional staff.

The Association itself continued to extend and expand in many areas its program of services for patient care in the home. It now includes ten neighboring towns and has reached optimum size for efficient service.

Each town is represented on the Board of the Agency by members appointed by the Selectmen of the respective towns. Meeting of the Board and Staff are held on the first Monday of each month at the Agency office at 10 Front St., Exeter. In addition to this regular meeting, a Medical Advisory Committee meets each month to recommend and review policies which involve medical and nursing consideraiton. The committee includes three members of the Board, the Senior Nurse, Dr. Charles DeLuccia, and Miss Sandra Higgins, Director of Nurses at the Exeter Hospital.

The Agency is staffed by three Registered Nurses working full time — Mrs. Edward Castle, Senior Nurse, Mrs. Francis Zimmerman, and Mrs. James Colcord, and four part time — Mrs. Pauline Conklin, Mrs. Robert Chamberlain, Mrs. Charles DeStefano and Mrs. William Black. Mrs. Kenneth Haley continues as our Registered Physical Therapis. Mrs. Thomas Cronshaw serves as Secretary-Bookkeeper. Our staff is continually working to upgrade itself by attending professional meetings and conferences. Our Senior Nurse is presently taking courses toward a degree in Public Health Nursing.

All professional care is given under orders of each patient's own physician. Nursing care includes such services as bed baths, medications, dressings, treatments, injections and instructions in health care. Physical Therapy includes exercising, massage, application of hot packs and gait training. Anyone desiring service may call from 8 A.M. to 4:30 P.M. on Mondays through Fridays at 772-2981.

Respectfully Submitted,
VICTORIA YOUNG
Town Representative

REPORT OF SUPERINTENDENT OF SCHOOLS

The new school year began with a Union-wide faculty meeting at the Area Junior High School on Tuesday, September 2, 1969. Classes opened for instruction on Wednesday, September 3, 1969.

The Kensington School opened this year with 140 pupils, a decline of 11 pupils over the beginning of school a year ago. This represents a 7.2% decrease compared with a 2.6% decrease a year ago. There are presently 55 Kensington pupils in the Area Junior High School and 59 in the Area High School.

Mrs. Perry reports staff efforts to provide as much individualized instruction as possible. A blend of phonics and word recognition are used in the teaching of reading with the pupils being devided into three levels of reading progress. There is also instructional grouping in math. The staff is actively engaged in professional study. Several are taking our local course in Learning Disabilities.

The principal also reports a host of pupils' activities. The 5th and 6th grade operetta was well received. The Memorial Day and Christmas programs were successful events. This fall the entire school enjoyed a field trip to the Boston Aquarium.

A very beneficial and much appreciated new service at the school is that provided by a part-time secretary in the person of Mrs. Gloria Lizotte.

There were several changes in the teaching staff this year. The present staff with their grade assignments and current enrollments are listed below:

Perry, Mrs. Elizabeth, Principal, Grade 1	25
Demers, Miss Margaret, Grade 4	21
Henry, Mrs. Eleanor, Music	
Irvine, Miss Joanna, Grade 3	22
Matthews, Mrs. Reginia, Art	
Evans, Miss Shirley, Grade 5	28
Sargent, Mrs. Ruth, Grade	28
Whittemore, Miss Robin, Grade 6	27

Two key persons who are of direction assistance to the Superintendent in providing leadership and supervision of the schools in Union 16 are the Teacher Consultant and the new Business Administrator. Their comments follow:

KENSINGTON TOWN REPORT

The role of the Teacher Consultant continues to be one that encompasses many areas. His activities include: Observing and participating in classroom work; helping teachers and pupils with techniques, methods, materials, and other activities which affect the learning process; interpreting and using the findings of research; working with curriculum committees for future curriculum adoptions in our schools; encouraging pilot studies of promising new materials; appraising educational progress; and providing teachers with the latest information and ideas in multi-media techniques for clasroom instruction.

Two major factors are affecting the learning processes in our schools today. The first is the concept that instruction is becoming more and more an individualized procedure; and, secondly, that multi-media techniques are taking an active role in the total instructional picture.

As Teacher Consultant, the above paragraph holds a major key to my work. We are living in the midst of a revolution in education, and curriculum is the most important battle line of that revolution. School curriculum in a democratic society is the result of a continuous interplay of ideas among individuals and groups of individuals who concern themselves with the future of society. We are using the curriculum study-committee technique in our schools. It is through this process that we have our present new modern math program, a changed social studies curriculum, a new parent report system, a transitional program for immature first graders, our present testing program, and we are currently completing an extensive study in science education, Grades One to Twelve.

"Involvement" is the key word. It does not just happen. It has been planned. Ideas are encouraged in committee work. The adoption and implementation of the new program as well as evaluation still remains a major function of the Teacher Consultant's role.

This new program is the result of "best judgments" of the committee members based on the evidence (data, opinions, research, study, pilot program) available at the time of the curriculum decision.. The next step requires that the total staff be informed, and usually the Teacher Consultant becomes involved with an inservice program for the teachers before the new ideas come forth in the form of instruction to children in the classroom. Even after these decisions and implementations, the process continues.

This curriculum function requires active involvement by the Teacher Consultant. He has a key role to play all along the process of curriculum change and implementation. Therefore, I felt an explanation of this area of school work was important enough to share with you in this report. I will continue to spend as much time as possible working with curriculum committees; reviewing research; studying data; carrying out pilot studies; and providing teachers with ideas and materials for implementation of new programs in the schools of this Union.

FREDERICK B. KING

I should like to say at the outset that I am very pleased to have been selected as your first Business Administrator in Union #16.

These first months have been taken with gradually moving into succeeding areas for which I am responsible in order to gain systematically a clear insight into the many and varied facets of the position. Dr. Adamo and Mrs. Collishaw have assisted me greatly in these first months and I give much credit to them for enabling me to "settle in" to the position with relative ease.

As Business Administrator my duties involve basically the following: accounting, preparation of budgets, purchasing, supervisiion of repairs and maintenance of school facilities, supervision of pupil transportation and lending assistance to the Supervisory Union and the School Districts comprosing the Union in the administration of their business and financial affairs. I strongly feel that together with all the foregoing is the very critical responsibility to see that our school system is operated in the most efficient and economical manner possible. With the increasing demands being placed on property owners in the form of rising taxes, it becomes more essential than ever to get true value for every dollar spent.

One obvious area in which efficiency is demanded is that of purchasing. With this in mind I intend to involve the entire Union in as much group purchasing as is practical. Much of what we use in our schools can be readily standardized and purchased jointly. This applies to supplies and furniture alike.

Let me briefly cite an example. Classroom furniture is something which is required by all schools at one time or another. One district's requirements for classroom furniture would constitute a relatively small order and consequently would not provide that district with any degree of purchasing power. However, a combination of two or more such orders could negate the above disadvantage and place those districts collectively in a much more favorable position than any one individually would enjoy. I feel that this kind of thinking among all the districts can work to everyone's advantage.

Another area which can be critical to efficient management is that of maintenance of plant. With the asistance of the building principals, I hope to establish a planned systematic maintenance program for all of our buildings. Hopefully this will allow School Boards to more accurately project their budgetary requirements in this area.

In summary, with the steady increase in all costs it is imperative that each school district continue to seek new methods of holding or reducing operating costs. One such way is through open communication and cooperation among individual districts in the Supervisory Union.

I look forward to serving your school system in the months and years ahead.

DANIEL C. DURGIN

The tuition rates for 1970-71, as approved by the State Department of Education and announced by the Exeter School Board, are:

Estimated Per Pupil Cost for 1969-70	
Senior High School	$779
Rental Charge	37
Total 1970-71 High School Tuition	$816
Estimated Per Pupil Cost for 1969-70	
Junior High School	$712
Rental Charge	40
Total 1970-71 Junior High Tuition	$752

These estimated per pupil costs for 1967-70 are the basis for setting tuition rates for 1970-71; a rental charge is added to make up the total tuition. The new tuition rates for 1970-71 compare with the state estimated average per pupil costs of $753 per High School pupil and $653 per Junior High pupil exclusive of rental charges. This will mark the first occasion that Exeter tuition rates have exceeded the state average.

Your attention is directed to the following tables and reports.

SCHOOL HEALTH SERVICES

January, 1970

To the Superintendent of Schools:

School Health Services in our towns have included two new programs this year. Along with our usual schedule of vision and hearing screening and referrals; physical examinations; dental hygiene and education; free summer dental program supported by the State Department, Division of Dental Public Health; Immunizatons; Tuberculin testing for Grades 1 and 7, plus Staff; and the ever important Health Education, we have added a new service for age 4 and 5 pre-school children. This program embraces a double purpose of early detection of of Lazy-eye and significant developmental lags, and was carried out in each town last June following the closing of schools. Although attendance was not as high as we hoped, we felt that the program was well worthwhile.. Over 54 children in all attended and of these, 7 were appropriately referred for further evaluation and follow-up up. Had these children not been discovered until a few months before entering Grade I, their early school experience might very well prove less successful. With adustment of dates and time we hope for better attendance at the next screening.

Another program which has closely involved the attention of your School Nurse along with Sister Marie Timothy of St. Michael's school, Exeter, and members of the appointed Planning Committee, is an in-service training course for Professional Personnel entitled, "Recognition and Management of Children with Learning Disabilities within the Classroom. Over 220 educators from 40 towns are registered in this course and outstanding lecturers have contributed up to date, interesting, and factual material each week. Through education only can we best expect profitable returns from our efforts to establish improved understanding and management of special children in the classroom. If each member registered in this seminar gains a little better understanding of the children who are perplexing in the classroom, and acquires more effective methods of helping these children, we may rightly feel that its benefits, by touching the lives and problems of innumerable children throughout our schools, can be realized. The preparation and organization of this program has involved many, many hours of several peoples' time and we are indebted to all who have contributed toward its promising results.

KENSINGTON TOWN REPORT

In December there was a spark of hope in the air for the possibility of a part time assistant in this School Health Service. The spark, however, failed to develop into reality. Now covering 5 towns and 6 schools with an ever increasing enrollment creating a load far beyond the State recommendation, I found this decision something less than encouraging. While I am aware of the many demands and limited funds I do, nevertheless, hope that another year new consideraton can be given this need and money allocated for the purpose.

Many hours have been contributed by School Health Volunteers and I cannot commend them enough for their efficient and most valuable help in the many ways they have served this Department.

Continued support of the School Board (s), Superintendent of Schools, the Principals and members of the Staff is greatly appreciated and has been most helpful to me in carrying out the School Health Program.

Respectfully submitted,

VIRGINIA D. HOLDER

RECORD OF THE 1969 SCHOOL DISTRICT MEETING

Kensington, N. H. — March 8, 1969

The School District Meeting of the town of Kensington was called to order at 7:32 P.M., by the Moderator, Horace M. Gourley, who read the warrant. An appropriate prayer was offered by the Rev. John Bodycomb which was followed by the salute to the flag.

ARTICLE 1: To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the School District.

Motion made by David Engel that salaries remain the same. The motion was seconded by Harold Y. Smith. The vote was in the affirmative.

ARTICLE 2: To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

It was moved by Gordon Swift that Article 2 be passed over. Martha Thorndike seconded the motion. The vote was in the affirmative.

ARTICLE 3: To choose Agents and/or committees in relation to any subject embraced by this Warrant.

Doris Bickford moved that Article 3 be postponed until after Article 6. Martha Thorndike seconded the motion. Vote was in the affirmative.

ARTICLE 4: To see what sum of money the School District will vote to raise and appropriate for the support of schools for the payment of salaries for School District Officials and Agents, and for the statutory obligations of the District. Gerald Easson moved that the sum of $164,750.00 be raised and appropriated for the support of schools. The motion was seconded by T. W. Thorndike. Discussion followed. Josephine Crowell moved that the article be amended and that the budget be reduced by the sum of $1,200.00. This sum to come from the budget items on Handwriting Instruction and Teachers Supplies. Charles Bickford seconded the amendment. More discussion of the proposed budget followed. The amendment to Article 4 was defeated. The motion to adopt the proposed budget was in the affirmative.

ARTICLE 5: To see if the School District will vote to authorize the employment of a Business Administrator for the schools of Supervisory Union No. 16, as Provided in R.S.A. 186:11, XXII and XXIII, starting with the school year of 1969-70 and to raise and appropriate the sum of Five Hundred Sixteen ($516.00) as Kensington's share of the salary, travel, retirement and F.I.C.A.

Leslie Briggs moved that we adopt Article 5. The motion was seconded by T. W. Thorndike. Discussion followed. The vote was in the affirmative.

ARTICLE 6: To see if the Town will direct the Moderator to appoint a committee to study the need for the future expansion of the school.

Dr. Tuthill moved we adopt Article 6. The motion was seconded by Martha Thorndike. Discussion followed. The vote was in the affirmative.

ARTICLE 3: To choose Agents and or Committees in relation to any any subject embraced in this Warrant. The Moderator returned to Article 3 as voted earlier in the meeting. Gordon Swift moved and Joan Engel seconded the motion that we pass over Article 3 and allow the Moderator proper time to choose a committee on expansion needs of the school. The vote was in the affirmative.

ARTICLE 7: To transact any other business that may legally come before the meeting. John Sargent moved that a more complete breakdown of school expenditures be published in future Town Reports. The motion was seconded by Charles Bickford. Members of the School Board explained that the selectmen had requested brief reports in interest of economy. They had tried to comply. Discussion followed. The vote was in the affimative.

The subject of the increase in Superintendent's salary was discussed.

It was pointed out during the discussion that Kensington School District has the lowest per pupil cost for elementary school pupils — $313 per pupil — for any school in Union #16.

The meeting was adjourned at 8:35 P.M.

Horace M. Gourley, Moderator appointed the following Committee to study the need for school expansion: Henry Dillenbeck, Richard Drew and Mrs. Elizabeth Perry.

INFORMATION FOR KENSINGTON RESIDENTS

LICENSING OF DOGS

Each owner of a dog 3 months old or over must register the dog with the Town Clerk, before May 1st. Each dog over 3 months must have received a "rabies vaccination;" certificate of vaccination to be presented to the Town Clerk at time of licensing. Each dog must wear a collar around its neck; attached to said collar a metal tag distinctly marked with its register number.

License fees are as follows: Male and spayed female — $2.00; female — $5.00. Kennel licenses are available for owners of 5 or more dogs; $1.00 penalty if not paid by June 1st.

DISPOSAL AREA REGULATIONS

The operating days and hours of Kensington Town Dump are from 8 A.M. to 5 P.M., Saturday and 8 A.M. to 12 P.M. Sunday. The Dump is for Kensington residents only. Dead animals or fowl must not be brought to the Dump. No fires will be set at the Dump only by the custodian of the Dump. Anyone setting fires other than the custodian will be dealt with severely

JUNK CAR REGULATIONS

A recent New Hampshire Statute requires anyone with two or more unregistered or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to $10 a day fine and a mandatory injunction to end the violation by the selectmen or city council. New and used car dealers registered as such are not considered auto junk dealers but must remove any junk cars from their premises with 160 days.
